Power to serve

Government Sales

**GSA contract #GS-07F-9004D**

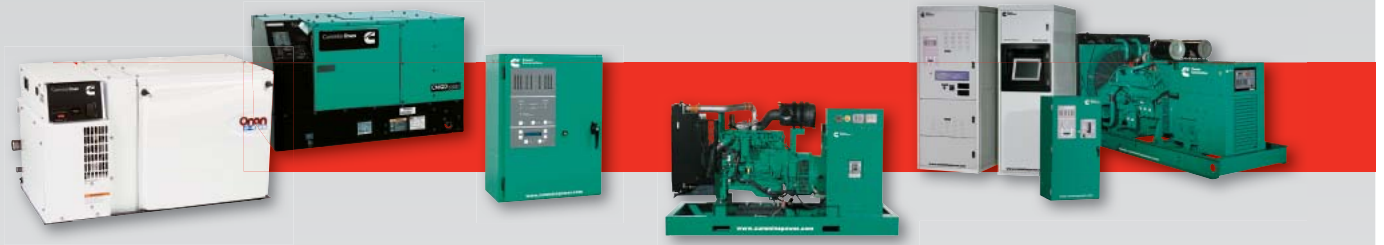

# Cummins Power Generation Inc. is proud to serve those who serve

Our legacy of partnering with the U.S. government dates from World War II, when Allied forces relied on Onan-branded power generation equipment. Today, our government sales team continues to work on your behalf to deliver optimized power solutions in the field.

The Cummins Power Generation/ Cummins Onan advantage:

- World-class products
- Technology leadership
- 24/7 worldwide service
- Product training program
- Compliant with Buy America regulations

GSA contract #GS-07F-9004D

## 60 Hz Diesel Generator Set
